- to have great customer service skills.
- to have an eye for detail and artistic flair.

Responsibilities and duties: You are;

- to deliver consistent, high standards of customer service.
- to help maintain a strong overall presentation of the store and production room.
- to help customers choose or design their perfect celebration cake.
- to undertake cake decorating tasks.
- to work well with our existing team.
- to process payments from customers.

Qualifications and Skills:

- You will have great communication skills in spoken and written English.
- An artistic background/experience is preferable but not essential.
- No cake decorating experience is required.

Job Type:
